### A NOTE FROM BROOKS

What a great semester we have had in Access! It has been amazing to watch the 6th graders move right into Middle School Ministries. This semester our hope has been to inspire students to see Jesus as an important and very influential figure in their lives. We have spent several weeks learning about who we are and our relationship with God. Knowing that as we trust in him and grow closer to Jesus, he changes and molds us from the inside out! You are always welcome to join us on a Wednesday night! We have a lot of fun together as we dive into difficult yet important spiritual conversations. If you can't come by please keep the leaders and the students in your prayers as they uncover all that God is doing in their hearts and lives.
