A NOTE FROM VAN

As life continually moves forward, my hope is that we all have moments to pause and reflect on the goodness of God. Take a moment. Reflect on the goodness of God. He has been with us this whole semester. God has been walking alongside the new 7th grade students in their faith and building relationships or deepening current ones in their small groups. With the 8th grade students, there has been growth and richer conversations being had amongst their small groups. I believe it is pertinent to allow our students moments to pause and have conversations about what God has done and what is doing presently in our lives.
