Dear Parents/Guardians:

We hope this letter finds you well and having a joyful Christmas season! It has been a great fall so far, and we are looking forward to seeing all that God has in store for us in the next semester. Enclosed you will find your student's second semester calendar for TEN12 programming. Additionally, we want to make you aware of a few important things:

TEN12 on Wednesday Nights • 7:45-9:00PM

Small Group Bonding January 8; TEN12 resumes January 22

We will continue to talk about the world we live in and what it looks like to follow Jesus in the midst of it. Our hope is that students will be able to apply what we are talking about in their everyday lives as they show up, ask tough questions, and seek to know and understand God's great love for them and others in this world.

PARENTLINK

ParentLink is a small group of caring adults who provide guidance to the Student Ministries staff and help facilitate parent involvement. If you have specific questions throughout the year that another plugged-in parent might be able to best answer, please contact:

Kristi Nasby • 612.720.5885 • knasby@comcast.net

Jeff Steele • 612.708.1489 • steelejeffrey@msn.com

A Note from Erica:

My hope in this season for myself, our students, and their families is that we would pause and slow down. We are too eager to be busy or get swept up in busyness. How might our lives look different if we slowed down and intentionally spent time with those we love more? What if we slowed down and just sat with Jesus . . . slowed down and thanked God for all He has done for us and wants to continue to do for us? I pray that as you slow down this season, you would see God's heart for you and those around you more clearly. Thankful for you all.
